

2017 Race Line-Up Procedures

- All drivers will draw a number when they sign in.
- Number draw will be used to line up heat races (from low to high).
- Heat races will be scored for passing points.
- Passing points from high to low will be used for:
 - Fast Dash (Top 6)
 - A-Main starting spots 7-16 (34 cars or less)
 - A-Main starting spots 7-15 (35 cars or more)
 - B-Main(s)
- B-Main(s)
 - If there are 34 or less cars:
 - 1 B-Main will be run with the Top 3 finishers transferring to the A-Main. (Starting spots 17-18-19)
 - If there are 35 or more cars:
 - 2 B-Mains will be run with the Top 2 finishers from each transferring to the A-Main. (Starting spots 16-17-18-19)
- Fast Dash
 - Fast Dash line-up
 - Following the heat races, the Top 6 in passing points will draw a number to determine their starting position in the Fast Dash.
 - Fast Dash winner will exit car in Victory Lane and roll a dice (marked 1-6) to determine invert for the A-Main. The number facing up on the rolled dice will be the invert.
- A-Main
 - Starting spots 1-6 of the A-Main will be determined by the fast dash finish, inverted.
 - Starting spot 20 (Provisional) will be awarded to the highest non-qualifying driver from current DiscountShopTowels.com Dirt Kings Point Standings.
