

2024 WABAM Dirt Kings Late Model Tour Stockbridge Engineering Touring Kings Application

For the 2024 season, there will be 10 Touring Kings. The Touring Kings will be featured in the 2024 Dirt Kings Tour Race Info Sheets, in addition to social media and race advertisements. The Touring Kings will be ambassadors for the Tour and helping to grow the sport of dirt late model racing. Drivers that have interest in joining the Touring Kings program must apply by May 15, 2024.

If a driver misses a Dirt Kings Tour event to race in another event or series, the driver will forfeit any future Touring Kings program money for the 2024 Season. Although 80% of the schedule is what will determine the Final 2024 Championship and Rookie of the Year Point Standings, the Touring Kings Program is a bonus for drivers that intend to race the full schedule. A driver who suffers a hardship and misses a race will still be able to earn Touring Kings program money, as approved by Dirt Kings Tour management.

Applications will be evaluated by a selection committee and the process will be based on their intention to run the full 2024 Dirt Kings Tour schedule, their past achievements, and if necessary, the 2023 Championship Point Standings.

The Touring Kings program will be paid out equally at each event during the season. This will be in addition to any Purse monies the driver may receive.
